Agenda

- What is Capital?
- The main Capital of Present.
- Innovations are vulnerable.
- Build your Capital.
- Actions for you.

What is Capital?

- Capital is everything that helps you to step above:
 - ❖ Family
 - ❖ Education
 - ❖ Money
 - ❖ Friends
 - ❖ Ideas
 - ❖ Housing
 - ❖ Communications

- ❖ Emotions
- ❖ Imagination
- ❖ Experience
- ❖ etc.

can be your Capital if you use them properly.

- Otherwise you will fall down.
- Take care of your Capital.

The main Capital of Present

- All kinds of Capital are actual.
- But prompt growth of importance of two ones is obvious.
- Communications and trust.
- They will drive your growth multiplicatively.

- You may not have money or education.
- But if you are recognizable and people trust you.
- You have a chance to rock the World.
- It's a long road.
- But the winner receives everything.
- Until someone else has better communications and more trust.

Innovations are vulnerable

- The new causes concern.
- The new is not trusted.
- The new has lack of background.
- Communications are not established.
- It's easy to lose everything.
- The new is vulnerable.
- Innovations are vulnerable.
